

TARA BEITER-FLUHR FOR MAYOR OF SHERIDAN

I have been on City Council for 9 years. During that time, we survived the Great Recession and came out more financially stable than ever. We passed two ballot measures to provide fixes for our outdated roads, bridges, drainage, and sidewalks. We have added parks and trails to improve your quality of life.

As mayor, I will keep watch over your investment in these assets. I will look for new revenues to keep that investment safe in the long term by maintenance. I will work on building strong relationships with our community partners such as the school district, South Suburban Parks and Rec, and the many non-profits now operating in Sheridan.

I will support and listen to all our residents, from the newest arrivals to the families whose names appear in our histories.

It takes all of us together to make this city strong.

If you believe Sheridan is on the right path and is changing for the better, please consider me when you complete your ballot.

Thank you! Tara
